1. The Application is free to download. Certain features of the Service are available through an auto-renewing subscription via Apple’s App Store.
2. You will be charged through your Apple ID account. Payment will be charged upon confirmation of purchase. Subscriptions automatically renew unless auto-renew is turned off at least 24 hours before the end of the current period. 5. If we receive a refund request for an in-app purchase, we may provide Apple with information about the user’s in-app purchase activity. This could include details such as time since app installation, total app usage time, an anonymous account identifier, whether the in-app purchase was fully consumed, whether it included a trial period, the total amount spent, and the total amount refunded.

6. If a free trial is offered, you will be automatically charged the applicable subscription fee after the trial period ends, unless you cancel at least 24 hours before the trial ends.
